

SINGLE USE BIPOLAR FORCEPS

Key Features

- **Quality**
A perfect instrument for every procedure
- **Reliability**
Tips stay consistently aligned
Tissue sticking is minimized with a new instrument for each procedure
- **Convenience**
Available in a variety of patterns, lengths and tips sizes
Offered as individual forceps or a handy kit with cord and tip cleaner
- **Cost Effective**
No cost for Sterilization
Won't need repair or re-insulation
Doesn't get lost
One less instrument to manage
A fraction of the cost of a reusable

SINGLE USE BIPOLAR FORCEPS

Olsen Medical Single Use bipolar products are offered sterile in a box of 10. They are available in a convenient kit which includes the Forceps, Cord, Tip Cleaner and Surgi-Wipe or packaged individually as a cost effective forceps.

Jewelers Forceps, Bipolar

4-1/2" (11.4cm), Micro Tip

Straight

20-1060	Forceps, Non- Insulated
20-1060I	Forceps, Insulated
20-1060K	Kit, Non-Insulated
20-1060KI	Kit, Insulated

Curved

20-1070	Forceps, Non-Insulated
20-1070I	Forceps, Insulated
20-1070K	Kit, Non-Insulated
20-1070KI	Kit, Insulated

Adson Forceps, Bipolar

4-3/4" (12.1cm)

1.0 mm tip, Serrated

20-1080	Forceps, Non- Insulated
20-1080I	Forceps, Insulated
20-1080K	Kit, Non-Insulated
20-1080KI	Kit, Insulated

1.0 mm tip, Smooth

20-1082	Forceps, Non-Insulated
20-1082I	Forceps, Insulated
20-1082K	Kit, Non-Insulated
20-1082KI	Kit, Insulated

Bayonet Forceps, Bipolar

6" (15.2cm), Smooth, Working Length 2-3/4" (7.0cm)

0.75mm tip

20-1320	Forceps, Non- Insulated
20-1320I	Forceps, Insulated
20-1320K	Kit, Non-Insulated
20-1320KI	Kit, Insulated

1.5mm tip

20-1330	Forceps, Non-Insulated
20-1330I	Forceps, Insulated
20-1330K	Kit, Non-Insulated
20-1330KI	Kit, Insulated

Bayonet Forceps, Bipolar

7" (17.8cm), Smooth, Working Length 2-3/4" (7.0cm)

0.75mm tip

20-1360	Forceps, Non- Insulated
20-1360I	Forceps, Insulated
20-1360K	Kit, Non-Insulated
20-1360KI	Kit, Insulated

1.0mm tip

20-1340	Forceps, Non-Insulated
20-1340I	Forceps, Insulated
20-1340K	Kit, Non-Insulated
20-1340KI	Kit, Insulated

1.5mm tip

20-1370	Forceps, Non-Insulated
20-1370I	Forceps, Insulated
20-1370K	Kit, Non-Insulated
20-1370KI	Kit, Insulated

Bayonet Forceps, Bipolar

7-1/2" (19.1cm), Smooth, Working Length 2-7/8 (7.3cm)

20-1380	Forceps, Non- Insulated
20-1380I	Forceps, Insulated
20-1380K	Kit, Non-Insulated
20-1380KI	Kit, Insulated

Bayonet Forceps, Bipolar

8" (20.3cm), Smooth, Working Length 4-1/4" (10.8cm)

0.5mm tip

20-1420	Forceps, Non- Insulated
20-1420I	Forceps, Insulated
20-1420K	Kit, Non-Insulated
20-1420KI	Kit, Insulated

0.75mm tip

20-1400	Forceps, Non- Insulated
20-1400I	Forceps, Insulated
20-1400K	Kit, Non-Insulated
20-1400KI	Kit, Insulated

1.0mm tip

20-1440	Forceps, Non-Insulated
20-1440I	Forceps, Insulated
20-1440K	Kit, Non-Insulated
20-1440KI	Kit, Insulated

1.5mm tip

20-1410	Forceps, Non-Insulated
20-1410I	Forceps, Insulated
20-1410K	Kit, Non-Insulated
20-1410KI	Kit, Insulated

Bayonet Forceps, Bipolar

10" (25.4cm), Smooth, Working Length 6-1/4" (15.9cm)

1.0mm tip

20-1480	Forceps, Non- Insulated
20-1480I	Forceps, Insulated
20-1480K	Kit, Non-Insulated
20-1480KI	Kit, Insulated
